The tune, the rhythm, etc. should be such that all can follow the Bhajan. Bhajan thus sung permeates the ether in the form of sound waves and fills the entire atmosphere, thereby the whole atmosphere gets purified. Breathing in this purified atmosphere, our hearts get purified.</p> <p>~ Sathya Sai Baba ~</p>

This should be the primary product of the educational process. What is necessary is not Education in Human Values (EHV) but 3-HV: (Head-Heart-Hands). The hands should carry out what the heart approved of the ideas emanated from the head. Education must award self-confidence, the courage to depend on one's own strength. ~ Sathya Sai Baba ~</p>

<p>Women have been extolled in ancient Scriptures as well as classical poetry as Grihalaxmi, the Goddess of prosperity in the home. She is Dharmapathni who accompanies the husband in the fulfilment of the duties and rights of wedded life as a householder. Motherhood is the most precious gift of God. <p>Amongst the qualities that are needed to realise your Divinity, the foremost is 'Kshama', forbearance or forgiveness. It is essential for every human being. It is supreme amongst virtues. Forbearance is truth, righteousness, compassion and nonviolence; Kshama comprehends every other quality. Purity of mind must be practiced to acquire Kshama. Purity of mind requires total elimination of attachments and aversions from the mind. Hatred and envy should have no place.</p>						1

30	<p>Today people cannot bear to see others happy or prosperous; this is the sign of a polluted mind. To be truly human, you must have a pure and unsullied mind. You must cultivate large-heartedness to return good for evil and not to cause pain to anyone in any circumstance. This is the mark of a pure mind. Recognize that the same Divinity - the same pure Spirit that dwells in you and the Power that animates you - is present equally in every human being. ~ Sathya Sai Baba ~</p>
