Dear Brothers and Sisters,
Om Sri Sai Ram.

Sathya Sai devotees all over the world observe 24th April with love and reverence by remembering and practicing the teachings of Lord Sathya Sai. This year, let us resolve to conduct the Aradhana Mahotsavam with 40 days of spiritual practice from 22 March to 30 April 2017, as outlined in the attached letter, to express our gratitude to our loving Lord, Bhagawan Sathya Sai Baba.

As part of this sadhana, two major celebrations are included. We will celebrate World Human Values Day on 24th April 2017. We will also celebrate 22nd April 2017 as Earth Day, to show respect and gratitude to mother earth.

Zone Chairs, kindly forward the attached letter and the document with 40 quotes to all members of Sathya Sai Centres, Groups, Trusts, Institutes and Schools in your respective geographical areas.

This letter and the quotes can be found on the SSIO website at <http://www.sathyasai.org> under the News and Announcements section.

Let us all join together as one family in this noble and uplifting spiritual exercise to honour and cherish the glory and legacy of Lord Sai.

Jai Sai Ram.
With loving regards,
Narendranath Reddy, M.D.
